How to Play

Each page has one puzzle and a list of words.

Every word reads from LEFT to RIGHT,

or from TOP to BOTTOM.

No diagonal words. No backwards words.

Circle each word when you find it.

Then cross it off the list.

The answers are at the back of the book.

Example: find CAT

X C A T Q

B L M O R

D O G E N

P I R S U

H E W A K
